

Topic 1 - Human in the interior

On the provided sheet of paper, please draw in pencil (vertically or horizontally) a composition consisting of one figure standing or sitting in an interior in the vicinity of a window (or against its background).

The interior in daylight should obligatorily include a table and chair and an open curtain in the window. Additional interior elements are also allowed.

Attention should be paid to: form (shapes), proportions, spatial arrangement and light. Use the entire sheet of paper to compose the drawing.

Topic 2 - Bridge on the lake

On the provided sheet of paper, please draw in pencil (vertically or horizontally) a composition consisting of one or more figures standing or sitting on a jetty bridge over a lake. In addition to this, the drawing should include elements typical of the scenery, such as a boat or other floating objects as well as shoreline vegetation (like a tree, reeds etc.). There may also be additional elements specific to such landscape. Daylight - diffused or casting shadows - should be included in the composition.

Attention should be paid to: form (shapes), proportions, spatial arrangement and light. Use the entire sheet of paper to compose the drawing.
