The candidate must submit a digital portfolio (A3 and A4 format pages compiled into a single .pdf file, uploaded to the eRecruitment system and then delivered on an electronic data carrier) containing the following elements:

No.	PORTFOLIO COMPONENTS	Max. Points
1	Title page with: candidate's name, university of first-cycle graduation, academic year, authorship declaration (Appendix 1)	-
2	Completed table of contents (Appendix 2)	-
3	Design studio projects from semesters I–VI (one A3 page per project, max 10 A3 pages)	30
4	Reduced-size diploma boards (max 6 A3 pages) with short description (max 4 A4 pages)	10
5	Selected drawings, paintings, sculptures (photos), visual compositions, descriptive geometry etc. (max 2 A4 pages)	1
6	Projects created during student workshops outside regular coursework (one A3 per project/workshop, max 3)	2
7	Student competitions, completed outside coursework (one A3 per competition)	2
8	Copies of published academic articles, other academic works (not related to compulsory study tasks)	5
9	Grade transcript from first-cycle studies (certified by academic staff or Dean's Office)	-
10	Curriculum of completed first-cycle studies (course list per semester) – required for non-WA Gdańsk Tech applicants	-
	TOTAL POINTS:	50

Each project can appear in the portfolio only once.
Items 3 and 4 are mandatory and account for up to 40 points.
Items 5–8 are optional and allow candidates to gain up to 10 additional points.
After recruitment, the portfolio on the electronic medium is stored in the student's records.
