

FACULTY OF
MECHANICAL ENGINEERING
AND SHIP TECHNOLOGY

POLSKIE TOWARZYSTWO TRIBOLOGICZNE
członek International Tribology Council

44 Polish Tribology Conference - Autumn Tribology School 8–11 September 2026, Gdańsk

under the honorary patronage of

Prof. Krzysztof Wilde, Rector of Gdańsk University of Technology, and

Prof. Mariusz Deja, Dean of the Faculty of Mechanical Engineering and Ship Technology

Conference Topics

Tribology for Sustainable Development, including in particular: reduction of friction and wear; design of environmentally friendly materials and lubricants; increasing the durability of machine components; minimization of energy losses; tribology in renewable energy systems; optimization of processes in low-emission transport; recycling and reuse of components; wear monitoring and diagnostics; tribology in medicine and biomaterials.

Honorary Committee

Professor Krzysztof Wilde – Rector of the Gdańsk University of Technology

Professor Mariusz Deja – Dean of the Faculty of Mechanical Engineering and Ship Technology

Professor Jarosław Sęp - President of the Polish Tribological Society

Professor Marian Szczerek – Honorary President of the Polish Tribological Society

Important Dates

Registration and abstract submission (<https://wimio.pg.edu.pl/en/tribology2026>): **15.05.2026**

Conference fee payment: **15.06.2026**

Submission of full paper to Tribologia (for authors interested in publication): **15.10.2026**

Conference Fee

The fee with accommodation in a double room is **690 EUR** and **810 EUR** in a single room (limited availability; allocated on a first-come, first-served basis). The conference fee includes conference materials, meals, accommodation, social programme, and publication of the conference paper.

Registration takes place via the online form on the conference website ("For Authors and Participants"), while the details for payment for participation in the conference can be found in the "Information leaflets".

Account number for participation in the conference (EUR): PL 17 1090 1098 0000 0001 6350 9841

Conference Venue

ARCHE Dwór Uphagena Gdańsk, Prof. Kieturakisa St. No 1, 80-742 Gdańsk, Poland

<https://www.archedworuphagena.pl/en/about-us-page-348956>

This four-star standard facility is located in the charming Dolne Miasto district, by the Motława river, adjacent to the historic Main and Old Town of Gdańsk.

Information on Publications

Abstracts (250–300 words) **should be prepared in English** (Polish also accepted) and uploaded during registration no later than 15 May 2026. Please follow the template available on the conference website in the “For Authors and Participants” section: <https://wimio.pg.edu.pl/en/tribology2026/authors-and-participants> Accepted papers will be presented during oral or poster sessions (authors may indicate their preference during registration; however, the final decision rests with the Organizing Committee). Abstracts will be included in the conference materials.

Full papers may be submitted for publication in the journal TRIBOLOGIA (listed in Index Copernicus database): <https://t.tribologia.eu/> Manuscripts must follow the editorial guidelines available at: <https://t.tribologia.eu/cms/forauthorsinfo>
