

POLSKIE TOWARZYSTWO TRIBOLOGICZNE
członek International Tribology Council

44 Polish Tribology Conference - Autumn Tribology School 8–11 September 2026, Gdańsk

under the honorary patronage of

Prof. Krzysztof Wilde, Rector of Gdańsk University of Technology, and

Prof. Mariusz Deja, Dean of the Faculty of Mechanical Engineering and Ship Technology

Announcement no 2

1. As our conference has become an international event with numerous participants from abroad, we kindly ask those who submitted abstracts in Polish to send an English version to our conference email address (tribologia2026.wimio@pg.edu.pl) by July 31, 2026.
2. Due to the participation of international guests and speakers, we ask everyone to prepare their presentation slides in English; however, the oral presentations themselves may be delivered in either Polish or English, at the speaker's discretion.
3. Participants presenting posters are also asked to prepare their posters in English and to provide an additional ONE-PAGE PRESENTATION—also in English—containing the title and key results and conclusions designed to encourage visiting the poster. These presentations will accompany the poster session.
4. We kindly urge those who have not yet done so to URGENTLY COMPLETE the conference fee payment.

Sponsors of our conference

Anton Paar
